

Community Safety and Police Liaison

This portfolio covers all aspects of community safety, including keeping in contact with Police and other organisations such as Trading Standards on matters relating to the general safety of village residents.

Current holders; Councillors Colin Boylett and John Barnes.

Two other roles fall within the Community Safety portfolio.

Speedwatch Co-ordinator;

Community Speedwatch is operated by volunteers, trained by Police, using Police approved speed monitoring equipment to help reduce traffic speeds through the village. Drivers detected significantly over the speed limit are sent warning letters by the Police.

Co-ordinator – Councillor Colin Boylett.

Flood Warnings;

A Councillor receives flood warning information from the Environment Agency, and the Emergency Planning Officer at Rother District Council, and ensures that any residents at risk from any flooding get ample warning of any risks and assists as much as possible in getting help if required.

Current holder; Councillor Colin Boylett.
