

Playground fundraising

Parish Council 21st March 2019

Not a great deal to report at present, the total so far paid to the bank from online donations and Give as you live is £722, there is a further £140 pending payment.

Also, there has been £195 in cash and cheque donations, when the pending payments are received the total will be just over £1,000.

Applications have been made to the Tesco 'Bags of Help' scheme and to the Police Property Act Fund, no news on either at present, but both can take several months before you know if you have been successful.
