

# **Playground fundraising**

*Parish Council 16<sup>th</sup> May 2019*

**Not a great deal to report at present, the total so far paid to the bank from online donations and Give as you live is £822, there is a further £24 pending payment from the donation page, and £48 pending from Give as you Live.**

**Also, there has been £195 in cash and cheque donations, when the pending payments are received the total will be £1,089.**

**As reported last month, the application made to the Tesco ‘Bags of Help’ scheme was not successful, but the application to the Police Property Act Fund is still in place, no news at present, but it can take several months before you know if you have been successful.**

**Over the next few weeks I will be giving Give as you Live and the donation page as much publicity as possible on the e-bulletin, the website and social media.**
