

Playground fundraising

Parish Council 18th April 2019

Not a great deal to report at present, the total so far paid to the bank from online donations and Give as you live is £722, there is a further £140 pending payment. The pending payment is due at some point this month but has not arrived yet.

Also, there has been £195 in cash and cheque donations, when the pending payments are received the total will be just over £1,000.

The application made to the Tesco 'Bags of Help' scheme was not successful, mainly because there were a large number of applications in this area, I see that Hurst Green Primary School are currently in the voting at Hawkhurst Tesco. The application to the Police Property Act Fund is still in place, no news at present, but it can take several months before you know if you have been successful.
