

Speedwatch Report

Parish Council 20th February 2020

During January we ran 14 sessions totalling 8.5 hours, a further 3 sessions were cancelled due to rain, 6 of the sessions were run in the same time slot as sessions in Burwash.

A total of 2130 vehicles passed during the sessions, 27 were recorded over the speed limit, fastest was 46mph.

The two weeks commencing Monday 20th January was the National Police Chiefs Council Speed Campaign, we were able to support the campaign with 6 sessions during the two weeks.

There are 23 sessions planned for February, weather permitting, 6 of those sessions are planned to be at the same time as Burwash sessions.

On Tuesday we were joined on a session at Glebe Orchard by PC Tomlinson, our hour long session did not record any eastbound speeding vehicles from 176 passing, but PC Tomlinson was able to stop and book a speeder travelling westbound, we are not authorised to monitor that direction from that location.

Colin Boylett.
