Any additional message or info.

The Sussex Police repeat offenders compliance rate currently stands at 93.15%, this ratio is based on drivers who have received the first letter from us not going back through the CSW system within a 12 month period, (this data is based on group record input).

Monthly CSW virtual Coordinators meetings are now held to enable groups and Parish Councils to establish a collaborative working network, this also enables SSRP to give any updates and feedback constructively to the groups. **Next meeting 13.00hrs on Friday 1st April 2022**, to get the link send your name, group and email address to csw@sussex.police.uk

Groups are now permitted to use Body Worn Video, the Sussex Policy for this can be found under the help section in all Coordinators accounts and Police Station Documentation. The effective date is 28th January 2022, we hope this will help with the high levels of abuse given to the groups by motorists. The kits initially will be funded by the groups if they wish to use their own, we have some available for those groups that we can identify from stats have an urgent need but unable to get funding.

Councillors workshops are now monthly on a 1 hour per month basis for Road Safety / CSW related topics, the next one is March 8th at 19.00 – 20.00hrs and is based around speeding / reporting and Community Speedwatch Groups, anyone from Parish / Town Council is welcome, to join just send Name, Email Address, and Parish name to csw@sussex.police.uk
