

# Speedwatch Report

*Parish Council 20<sup>th</sup> April 2023*

During March we ran 16 sessions during the month of January, totalling 8 hours, those sessions recorded 22 speeding vehicles from 1817 passing vehicles, the fastest speed recorded was 42mph.

Five of the sessions did not record any speeding vehicles, most of those were sessions held around school drop off and pick up times.

A further six sessions were cancelled mainly due to rain

We reported one driver for abuse (abusive gestures).

During April there are currently 22 sessions planned, so far 3 sessions have been cancelled because of rain.

The full summary of Etchingham sessions for previous months and the Sussex groups overview can be viewed on the Parish Council website in the documents section ( <https://etchinghamparishcouncil.org.uk/document-category/speedwatch/> ).
