

Speedwatch Report

Parish Council 15th June 2023

During May we ran 23 sessions, totalling 12 hours, those sessions recorded 73 speeding vehicles from 1848 passing vehicles, the fastest speed recorded was 48mph.

Three of the sessions did not record any speeding vehicles, two sessions recorded more than 10% of the passing vehicles speeding (one was 12.4%)

No sessions were cancelled during the month

We reported one driver for abuse (abusive gestures).

During June there are currently 24 sessions planned, so far this month 1 session has been cancelled because of roadworks at the location.

The full summary of Etchingham sessions for previous months and the Sussex groups overview can be viewed on the Parish Council website in the documents section <https://etchinghamparishcouncil.org.uk/document-category/speedwatch/> .
