**Other items to take note of;**

***Garden machinery:***

It is the time of the year when a lot of work with machinery is in use in our gardens, at the end of the days work make sure your machines are securely locked away, and during the day if you stop for a meal break make sure you have not left expensive machines where they are out of your sight and easily stolen.

Make sure and report all incidents and break in attempts as soon as possible, even if nothing is stolen, report to **101**, **BUT** if you are sure a criminal act is in progress **999**.
