

Speedwatch Report

Parish Council 20th July 2023

During June we ran 21 sessions, totalling 10.5 hours, those sessions recorded 42 speeding vehicles from 1768 passing vehicles, the fastest speed recorded was 48mph.

Four of the sessions did not record any speeding vehicles, three sessions were cancelled during the month, two because of rain and one due to roadworks near the location.

Two vehicles were recorded for the second time and one for the third time

During July we had 24 sessions planned, so far this month 4 sessions have been cancelled because of illness and one operator isolating due to testing positive for Covid.

The full summary of Etchingham sessions for previous months and the Sussex groups overview can be viewed on the Parish Council website in the documents section <https://etchinghamparishcouncil.org.uk/document-category/speedwatch/> .
