

Speedwatch Report

Parish Council 18th January 2024

During December we ran 22 sessions, totalling 11 hours, those sessions recorded 47 speeding vehicles from 1892 passing vehicles, the fastest speed recorded was 52mph, three more were recorded at speeds over 45mph (+50%).

Nine of the sessions did not record any speeding vehicles, four sessions were cancelled during the month, all because of heavy rain.

Two sessions recorded over 10% of passing vehicles speeding, one 10.3% and one 13.2%.

Four vehicles were recorded by the group for the second time.

For January we have 40 sessions planned, so far three sessions have had to be cancelled.

The full summary of Etchingham sessions for previous months and the Sussex groups overview can be viewed on the Parish Council website in the documents section <https://etchinghamparishcouncil.org.uk/document-category/speedwatch/> .

Cllr. Colin Boylett, Speedwatch Co-ordinator.
